Activate Cub Day – 22nd May 2010

Saturday the 22nd May saw the first ever "Activate Cub Day" 120 cubs from ten different packs took part in the event based at Rhydd Covert campsite. The day was split up so that each cub had a chance to take part in four activities from air rifle shooting, archery, kayaking, climbing, canoeing, crate stacking, rafting, grass sledging and fencing.

We were very fortunate to have wall to wall sunshine for the day and all the activities were able to take place as planned.

I would like to thank the following, without who the day would not have been the success I feel it was - All the Cub leaders for supporting the event and ensuring their groups reached each activity, the activity instructors for providing excellent sessions throughout the day and finally to Rachel and her team for booking in all the cubs and manning the phones throughout the day.

below are a compilation of comments and thanks from cub leaders.
